GIRL OF UNFULFILLED DREAMS

Sharon Lee is the girl of my unfulfilled dreams. She's sexy, smiley, hungry and flashy. She has the right lithe body type that I adore. She's feminine without being a sissy girl. I'd eat her pussy in an instant. It's small and tight. Perfect for my tongue to enter it and swirl around inside. I think I could really get into her but my lover doesn't agree. I know that Sharon has done scenes with girls, but I wonder if she does them in her real life or just for the movies. Is that something you could ask her for me? And while you're at it, can you ask if she's a the type of girl that likes sex during the day or night better? I know those are pretty weird questions in their banality, but I'm the curious type and the girls around me are so opinionated that I don't know what to believe when they talk anymore. All I know is how sexy and luscious she is.

– Jenna, Charleston

MY COCK'S FANTASY

My mind fantasizes downwards to my now erect cock. A moan escapes my parted lips as she take my manhood fully in her hand and tugs gently against it making it even harder. Kya Tropic, I feel your hips grind my broad shoulders that seemed to span the room. A swell begins to form inside me as you trace the length of my arms with the tip of your tongue along the length of my shaft. I'll pretend not to notice the penetrating stare that indicates your desire swelling for me. Casually sauntering towards her, I reach out and take your small hand in mine. The size of my hand dwarfs her tiny hand and I begin to realize that the tale of her naked body, showering, her skin with gentle nibbles as I taste every inch of her feminine surface. Feeling the moistness left behind as she hungrily slips farther down my abdomen, my mind races at the very thrill of my hot cock slipping between her lips. My heart quickens as she draws nearer still to that hardening mass she wants to feel pressing against her.

– Remy, San Francisco

I've always been the cute one and the smart one. My sisters were jealous of me growing up. When I went to college, I discovered more than my studies. I discovered boys. And I let them discover me. I got married right out of college and now I'm bored with my hubby. I can't divorce him, so I play around behind his back.

I love to have sex because sex is a great workout. That's what foreplay is all about. It's kinda like the warm-up before the game. And I like it a lot. Especially working out on a huge cock. It strengthens my arm muscles and my mouth muscles. And for the guy, if it gets worked on a lot, it gets bigger and bigger, and harder and harder. That's pretty cool. So tell me guys, do you like foreplay? Do you need someone to warm up with?

There's a game on?

For the past year I've been having an affair with this chick named Nikki every time I visit Philly for business. I take the train from Grand Central, and she meets me at the station there. Nikki could be considered a kept woman because she makes herself available whenever I come into town.

In order to keep things really fresh and exciting, I ask that we go somewhere new each time. Today it's the Phillies and the Yankees and somehow she's hooked us up with the VIP box. I didn't ask how she got it, just if it will be only for the two of us.

We make it to the game and to our box. The game was going on below us as we watched for a while through the big plate glass window. The first three innings ended and I turned off the lights. We both knew what we wanted as I pulled Nikki towards me. She melted in my arms. I started to kiss her and she willingly responded to me walking me backwards toward the couch. It had

been more than three months since my last trip. Longer than most of the other times.

We collapsed down on it and both got undressed like over-eager teenagers going at it for the first time. Soon we were both naked. Nikki's nipples were as hard as bullets and her pussy was flowing with her wetness. Never had she felt so wet. My cock was rock hard in anticipation. I started to kiss her nipples and began biting on first one then the other. Nikki threw her head back and groaned in ecstasy. Running my tongue gently over her stomach, She opened her

legs as far as she could get them, allowing me access to her fully aroused clit. I gently nibbled it between my teeth and she came almost immediately.

In a muffled voice I heard her demand that I lick her pussy. I duly obliged and snaked my tongue inside the folds of her labia and then deep into her pussy. As I was licking her, I maneuvered my body so we were in the 69 position with my cock only inches away from Nikki's mouth. She took it and started sucking eagerly taking it

I was blown away by Sharon Lee and her pictorial. What a beautiful girl. And what a sexpot. I couldn't believe it when I turned the pages and saw her pictorial. I was shocked, and pleasantly surprised, also. She's getting fucked in the ass and having a hot dp. What can I guy do but dream of girls like this.

– Alan, Del Mar

deep inside her mouth fondling my balls as she took as much of it as she could.

We were both nearing climax and as I licked hard on her pussy, Nikki sucked even harder on my cock. Our timing was perfect as she hit her orgasm, I shot a huge load of cum into her mouth and she hungrily swallowed every last drop, licking the tip clean.

We changed positions and I laid her back onto the sofa. Her legs were wide open and her pussy

College clean up

Kai and I are lounging around in my col-

shorts off releasing my rock hard cock. I teased her a little by rubbing the head of my cock against

taking turns washing each other. We fucked in there too until the hot water eventually ran out. Kai and I went to the movies that night and afterwards had dinner out at a local pub. As the summer months ended, we eventually had to go back to college. I hope Kai reads this and gives me a call. I'd love to kiss her breasts once again.

When the guys are away

It was a pretty typical Friday night for late September here at SMU in Austin. Everyone gathers at someone else's house for some weekend games and that often will include some radical, night long battles on the TV gaming boxes.

Of course it also includes beer and other stuff to make the games more competitive. Those that don't play or don't want to play will often go into bedrooms all night or not come out until there's a knock on the door. However tonight it seemed like everyone else had something to do.

There were only 4 of us this weekend; Jon, Eddy, Amber and myself at her house, but usually there are six or more. We al-

how I needed this as she found herself meeting my every thrust until finally I came again shooting a huge load deep inside of her. She came again as well just as the game was ending. I was good night. We turned the lights on and headed out with the crowd. I had to ask someone who won.

— Donald K.

lege dorm room. I have a vibe in my hand and she has my cock in hers. She giggled, saying it felt really good. That changed when I slid the entire vibe quickly deep into her wet hole. She gasped. Then I quickly pulled it out and shoved my tongue into her pussy, and sucked up her juices.

I did this three or four times before she told me to put it away and come into the bed. I pulled my

the outside of her pussy. Anxious for a fuck, she grabbed it and shoved it into her hot box, giving me a scolding look because I took too long to put it in. So I jammed my cock all the way in and her head flew back against the padded headboard.

That afternoon, we fucked on the bed, on the floor, standing up and sitting down, until we both came several times. Finally we took a shower together,

ways try to have an even number of guys and girls so no one will get left out. House rules!

Amber pulled me aside and staring whispering in my ear that earlier in the day she had fucked Jon and wanted him again, what could we do to put him in the mood. So of course I suggested make out in front of them! Amber isn't what you would call drop dead gorgeous, but she's pretty cute and has a smoking hot body. She's very curvy and thick and has awesome perky boobs with dark black nipples that always are poking through her tight blouses.

We are all sitting on the floor, the guys have no idea what's about to happen. We start kind of giggling and start kissing. First it was just dry pecks on the lips but then Amber slips me her tongue and we start long wet kisses. Eddy just stared in amazement. Jon however was very interested. "The only thing that is missing is that you are still dressed!" he said. So we both took off our clothes and bras and are just in panties. We start kissing again rubbing each other's breasts and I have to wonder could she be as turned on as I am right now?

So I reach down and

rub her pussy on top of her panties and they are soaked! She jumped a little at first, but then returned the favor.

This went on for hours till my little white cotton bikinis were soaked. Turns out Eddy had too much to drink and was getting sick, so Jon said he would take him home. It was around one in the morning, so Amber and I decided to go to bed.

We cuddled up on her futon still in just our panties and she said it was really fun kissing me in front of the boys as she was softly rubbed my breast. We could always finish what we started and blame it on the alcohol in the morning. I laughed. I was so turned on! Neither one of us had ever been with a girl before!

I rolled on my side and we started kissing and caressing each other. I pinched her nipple and she moaned instantly making us both wet. I kissed her nipples and then started sucking them, as she writhed under me. As I slid my hand down her stomach hers was on my pussy on top of my panties. I slid my hand under her panties and felt my way to her swollen clit.

I gave her a look of surprise and she whispered "Don't stop. Do whatever

I started rubbing her clit harder as she moaned and asked me to put a finger in. I did and she flooded my hand with her pussy juices. I couldn't let all that sweetness go to waste so I ever so slowly licked my way down her

she was planning? Very carefully she spread our labia apart so our clits were touching. She started thrusting against me and I did it back harder.

Our pussies rubbed together faster and faster till we both came and collapsed with scissors exhaustion. I rolled over beside her and she said she

discovered my lady was cheating on me. I dropped her as fast as I could and have found this wonderfully weird lady on my rebound.

My ex was very conservative and we fucked mostly in the missionary position. That is when we did fuck. She rarely went down on me and even more rarely

imaginable, but here's the thing: she wants anal sex! And I've never done it. She says it makes her cum more intensely and is kinda turned on by my anal virginity. She says she's learned that couples who do it have a much calmer and positive relationship than those that are more uptight about it. I probably would agree.

She tells me that when her anus is stimulated, it has its own singular sensations, and they really contribute to her orgasms. While they are sexual and pleasurable, they are often more intense because that area will not be stimulated as often as the vaginal area. She says when she orgasms anally, she enjoys it immensely.

When I was ready to try it with her for the first time, we both showered and cleaned up. After some prolonged foreplay and some mutual masturbation, she brought out the lube and rubbed some on my cock and in her butt crack. Then she got on her knees and lowered her head down to the mattress. I eased behind her and inserted my finger. She cooed and told me to put my cock head in. I did and she cooed some more. I liked it and then put the whole thing in. She loved it! Me too!!!

belly and devoured that smooth pussy full force. My tongue parted her lips as I played with her clit and she screamed and pushed my head further into her swollen pussy. I tongue fucked her hole till she begged me to stop.

I sat up and took my panties off and laid on top of her. I did wondering what

had never cum like that and wanted to know what got into us? We heard Jon come back in the house and called our names. We both laughed and fell asleep together.

— Claire L.

Just do it already

I turned twenty-four a couple months ago and

let me go down on her. So perhaps our splitting has turned out to be a good thing for me.

My new lady, however, is more experienced and sometimes a bit too aggressive for me. She has sucked me for hours until I thought the skin on my cockhead was coming off. We screw in every position

Mika's main mission in life is to fuck. She says that's what her body is made is for. It's a temple of pleasure for her and for those who share it with her. WELCOMING THE NEW NEIGHBOR

A couple years ago, my neighbors placed their house on the market but because of the bad economy it did not sell and ultimately they went into foreclosure. A professional Asian couple bought it several months ago and I still have not gone over to introduce myself, but I thought today might be a good time. The husband always seemed to be busy and not around. His wife, Lillie, seemed friendly and usually in her smiling mood as she worked around the front yard. About a week ago I saw her outside and went over to introduce myself. She greeted me warmly and told me her name. I told her mine was Andre. She asked if that was like the famous tennis player and I said it was.

She was very cute and even though she didn't have a model figure, she was voluptuous with a slightly large top and an nicely shaped bottom. I'll say right up front that I had wicked

ideas of bedding her if I got the chance to. She loved to act innocent but I knew that she was a real hottie deep inside. I started to make plans and opportunity to get near to her as often as possible without being too obvious.

My first opportunity came when their moving truck arrived. The movers left lots of boxes just outside her front door, I took the opportunity to help her out in order to gain some credibility. She welcomed my help to carry those boxes into the house because her husband was away on business and they weren't expecting the movers until then weekend.

Yes, I was planning to tempt her whenever I could. I kept myself busy moving boxes. She was casual in her shorts and t-shirt. I just could not hide my arousing bulge when I happened to walk into one of the rooms and saw her bent over, unpacking something. Her shorts had ridden up, exposing almost half of the bottom of her ass cheeks! I could not help myself so I pretended to put the box I was carrying down on the floor slowly as if it was so heavy. Well, of course I did it just behind her to get a clear view of her luscious ass.

As she worked unloading the contents of the box, she did not seem to be aware of what she was showing – or could it be that she was teasing me, too? I just took my time and let my eyes lust after her ass. How I wished I could just pull those

shorts down and stuff my cock into that ass! What if she turned around and gave me a hard slap? After a short while, she stood up and walked over to the box I had just set down. As she sat down next to it, I made no attempt to hide my bulge. I decided to show her to hint that her ass had made me so aroused! While she was sitting on the floor unpacking, I intentionally stood up and took some stuff out from the top of the big box. In that position my bulge would be directly at eye level in front of her face.

I did not look at her directly to be too obvious but I did see from the side glance of my eyes that she did look at my it. Not just once but several times. At the moments when I knew she was looking at it, I made my bulge push outwards several times with small hip movements while I helped her unpack the box. She did not say a word – nor did she object. It almost seemed as if but she seemed to be enjoying it so I knew I might have some sort of a chance. At the same time, I managed to look down at her cleavage occasionally and had no problem peeping in as she was wearing an oversized t-shirt. I She was actually wearing a push-up bra, which made her cleavage looked even deeper – and both her nipples seemed erect, too. I was thinking fast as to how to make the next move.

As she was folding her clothing, I pulled out a bag full of her intimate garments. I pulled out a pair of sheer panties and put them in front of my face. She saw me and was clearly embarrassed and so to break the silence, I complimented her on her fashion choices in lingerie. We both could not help but burst into laughter and

warm every night! She looked at me and smiled embarrassingly. Well, talk is cheap. I upped the stakes by adding more flattery which most women love to hear like ‘You are such a sexy and beautiful lady and I’m sure many guys would love to be with you.’

Apparently feeling a bit more comfortable with me, she started to take out her sexy lingerie as if she wanted to show it off to me. She was sitting on the floor with her legs crossed as it was more comfortable for her but also good for me as I could see part of her panties. I sat opposite her and, at times, her eyes seemed to be glancing at my obvious bulge as I did not bother to hide it. She caught me peeking at her crotch and looked down and saw herself exposing a little too much. I was encouraged when she did

thereby breaking the ice. I chipped in further by saying that her husband is a very lucky man to have her.

She told me that he was always busy and too involved with his work to notice her anymore. Some of her lingerie she hadn't even worn. I took that to be a big hint what she had just thrown out – intentional or not. It seemed to me that she was picking up the clues and decided to play the flirting game with me. I started to lay it on even thicker by telling her that if I were him, I would keep her

not make any effort to cover herself but she seemed to spread her legs slightly wider. I was thinking fast and I decided to risk it by asking, “By the way, can I just ask you for a small favor?”

“I was thinking of buying some

sexier things for my wife. You seem to have such good taste with it. What do you think she might like?"

Rummaging through her lingerie, she took out most of it and picked out one particular piece which

back part was also see through, which showed her big curvy ass barely protected by a thin floss of string panties. And at that moment when she was playing and modeling herself to me, I had already made plans in my mind that I would fuck her sooner or later. She was obviously enjoyed teasing me. Asking me if I liked it, I responded by saying "Look at my pants!" She looked at it and smiled in return and said. "I told

she told me was her favorite. She passed it to me and it was quite sexy. I told her that it may look nice holding up here, but I can't imagine what it would look like. I took another daring step forward by asking if she would try it on for me so I can see what it's like on? She thought for a moment and said she would.

She went into the bathroom to change and came out wearing that sexy lingerie. I looked at her as though I was going to devour her anytime soon! She came near to me and stand in front of me. It was a sheer pink baby doll that discreetly exposed all the intimate parts of her anatomy. The front top part where the breast were, was totally transparent in a twin circular form to enhance her boobs. The bottom front were completely see through in a triangular shape to emphasis her crotch. She was still wearing her pink g-strings panties but it was also transparent that I could see a small patch of her pubic hair. And when she turned around, the bottom

you that this lingerie will turn on any guy!" I could see that she was turned on too! Now was my chance...

"Lillie, since you made it so hard, are you gonna help me to cool it down?" I pulled her down and she lost her balance slightly and sat on my lap instead. With my one hand grabbing and groping her ass while the other hand went straight to her crotch. It was damn and wet. She did not resist either. She seemed to be waiting for something to happen. I took her hand and placed it on my bulge and made her rub it and let her feel my cock. I then quickly pulled my shorts down and proudly show my hardness to her. She held on to my pole and slowly jerked it up and down, bringing it to life! At that time, she opened her mouth, trying to say something and no words came out of it but only heard her soft moans. Guess it was time to shaft my hard cock into her hungry mouth!

Without another word, she gets on her knees and begins to suck my cock. Slowly at first and then picking up steam. My hands reach down under the lingerie and I massage her full boobs, finding the nipples with a gentle twist and pinch. A muffled moan comes out of the sides of her mouth as her mouth gets hungrier and hungrier for my cock. After several minutes, I came in her mouth and she swallowed every drop.

But alas, dear reader, I must stop here and pull her head off my cock. What if her husband comes home and walks in on us. Or to see if my wife comes over looking for me. Today, I couldn't risk losing what I worked so hard to get.

When Petra called me and said she was going to do some sexy pictures for her husband, I asked if I could come over and watch her. I was thinking of doing the same for my man, too. So I get over there and she had almost finished. Then she suggested that we do a shoot together and give some really hot photos to our men, not just sexy, but sexual photos. We know they'll like them.
